There's nothing like going to a salon full of young, sexy staffers in a hip industrial setting to inspire us to update our look. Owners Johnna Sychuk (a ringer for Heather Locklear's younger self) and Jennifer Beck (equally blonde and beautiful) trained with the legendary Chas before making a go of it on their own last June. The focus here is on hair services—cuts, color, highlights, and state-of-the-art straightening and scalp treatments—plus a constellation of facials and body treatments. (The salon's flawless-faux airbrush tanning would have George Hamilton salivating.) And since we're all pressed for time, the 30-minute express services (including a \$50 facial or the \$55 hot stone massage) seem like an inspired lunch-hour idea. The buzz is that WBAL-TV's Mindy Basara and Melissa Carlson get camera-ready here.
